**102. Docket 13-08031** The Authority will discuss adding property-specific “convenience fee,” “access fee” or “loading fee” to tariffs, as a pass-through fee akin to McCarran Airport AVI fees. Such fees are assessed by certain resort properties and/or their door staff—often at a rate of \$1.00 per passenger—for loading passengers. Currently, carriers are prohibited by NAC 706.311(1)(a) from collecting such fee from the passenger and passing the fee on to the charging resort entity. (AJM) – ***FOR POSSIBLE ACTION***

**103. Docket 13-08032** The Authority will discuss The City of Sparks Towing Services Agreement. The Agreement, to which one or more certificated tow carriers are a party, includes a requirement [at paragraph 8(C), “Exception”] that tow carriers charge specific, very low rates for certain non-consent tows for which the City will be financially responsible. However, these discounted non-consent tow rates do not appear in the tariff for any Nevada tow carrier. Accordingly, the Agreement conflicts with Nevada statutory and regulatory requirements for tow carriers to charge exactly their tariff rates for all non-consent tows (including but not limited to NAC 706.311, NAC 706.329) and that carriers not charge any reduced rate based on status as a payor’s status as a governmental entity or officer, and NRS 706.351). The Authority will consider the recommendation of legal counsel to issue a letter notifying potentially affected carriers of the obligation to strictly comply with tariff rates for all nonconsensual tows. This Item may include issuance of an advisory opinion pursuant to NAC 706.4007. – ***FOR POSSIBLE ACTION***
